## BOOK SYNOPSIS

A lavish tome featuring the finished interiors of the master designers final creations. [ ] Revered interior designer Alberto Pinto drew inspiration from the diverse cultural influences he encountered from his earliest childhood, blending aspects ranging from minimalism to baroque in his signature style. His designs, which have been commissioned all over the world, range from private residences to palaces, hotels to corporate headquarters, and yachts to private jets. This exquisite homage to Pinto presents the finished results of his last interior designs and includes a Bordeaux château; a stately residence on Pariss exclusive rue Saint Dominique; Linda Pintos own recently redecorated apartment on the Quai dOrsay; a house in Gstaad; a classic European-style palace in Doha, Qatar; and homes in Marrakesh and London. A tribute to one of the greatest interior architects and designers of the twentieth century, this volume is lavishly illustrated in a style in keeping with that of the master designer himself.
