BOOK SYNOPSIS

"We want kids to feel about math the way they feel about dessert after dinner."

—Laura Overdeck, Time magazine Our mission: to make math a fun part of kids everyday lives. In, Bedtime Math: This Time Its Personal, families will find fun, mischief-making math problems that kids cant wait to figure out. With over 100 math riddles on topics from pillow forts and sneeze speeds to overfed pets and underwear, kids will find math isnt just fun, it can be found in their everyday lives. And with three different levels of challenge (Wee ones, Little kids, and Big kids), plus a brand-new Bonus question, theres something for everyone. Just as we all love stories before bedtime, families will find math is equally as fun and engaging. Many generations—kids and parents included—have been intimidated by math, but Bedtime Math is here to change all. We can make numbers fun, and change the world, one Bedtime Math puzzle at a time.
