BOOK SYNOPSIS

Best friends Annie and Sarah need cash-fast. Sarah, a beautiful, successful lawyer, wants nothing more than to have a baby. But balancing IVF treatments with a grueling eighty-hour workweek is no walk in the park. Meanwhile, Annie, a Harvard-grad chemist recently transplanted to Southern California, is cutting coupons to afford her young autistic sons expensive therapy. Desperate, the two friends come up with a brilliant plan: they'll combine Sarah's looks and Annie's brains to sell a "luxury" antiaging face cream to the wealthy, fading beauties in Annie's La Jolla book club. The scheme seems innocent enough, until Annie decides to add a special-and oh-so-illegal-ingredient that could bring their whole operation crashing to the ground. Hilarious, intelligent, and warm, *Crimes Against a Book Club* is a delightful look at the lengths women will go to fend for their families and for one another.
