BOOK SYNOPSIS

A collection from 24 Countries . . . over 135 Dreams That Came True This dream collection, mundane to dramatic, has been woven together one dream flowing to the next. Each chapter's introduction gives additional depth to this fascinating phenomena. That of the dream world. From Ernil Bernil's dream of a major archaeological find, to Neil Armstrong's dream of floating in space. From Peter's dream of Organic Gardening, to Lee Iacocca's dream of the Chrysler car. From Sophia's dream of the gas leak that saved her Mother's life, to Valerie's dream of the 9/11 disaster. All of these dreamers have one thing in common. Their Dreams Came True. "You will never believe it," they will say. "I dreamt that and it came true as I dreamt it would." People from around the world are saying just that.
