## BOOK SYNOPSIS

Since the first edition of this book in 1996, the addiction treatment field continues to undergo changes that affect the usefulness of this book. In an effort to include information that assists students and practitioners to use best practices, we have added a substantial amount of information and included additional resources for further investigation. Our format integrates current information and research, principles of sound clinical practice and practical experience. Our intention is to outline the procedures and rationale of case management and clinical documentation to give readers some background as well as information regarding current practice.
