## **BOOK SYNOPSIS**

TURKEY HUNTING TACTICS will introduce you to all aspects of turkey biology and behavior, and explain in great detail what calls, decoys and other equipment you need to harvest this great bird. You'll learn how to select the right turkey load, and how to test and pattern the gun to ensure a clean kill. This book will teach you how to deal with problem birds, such as call-shy toms and gobblers with hens. And after you've had a successful hunt, you'll learn several methods for preserving your trophy. There's an amazing amount of expert instruction and insight into hunting turkeys. Gary Clancy has included everything, from the age-old traditions to the newest innovations that will help you with a successful hunt. Nearly every page of this book includes photographs, charts, or illustrations. You'll find step-by-step details on how to make your own calls, how to preserve your birds, how to prepare a blind, and more. In addition, there are fantastic charts documenting different techniques, such as how your strategy should change when hunting with a partner or how what type of terrain you'll find more birds in. From cover to cover, you'll find this to be an amazing resource to count on for information and tips, year after year.
