BOOK SYNOPSIS

Some people are naturally brilliant, others have to buy it. What would you pay, to be one in a million? Framed for murder and on the run, former Olympic biathlete Kyle Achilles is also in the crosshairs of assassins guns. Why? He has no idea. Hes fighting blind against two master strategists and one extraordinary invention -- known as Brillyanc. Achilles only ally is the other prime suspect, a beautiful Russian mathematician who is either the best or worst person to ever enter his life. Katya was engaged to Achilles brother -- before he died. Chasing clues while dodging bullets, Achilles and Katya race around the globe, uncovering a conspiracy conceived in Moscow, born in Silicon Valley, and destined to demolish both the White House and the Kremlin. Along the way a lost soul finds purpose, a broken heart confronts forbidden love, and America gains a new hero. Packed with heart-stopping surprises, paced by razor-sharp plotting, and populated with richly rendered characters, Pushing Brilliance will leave you breathless and longing for more.
