BOOK SYNOPSIS

Before he can settle down, blond-haired, blue-eyed Robley of clan MacKintosh needs to taste true adventure. So when the faerie Madame Giselle asks him to retrieve her stolen property in exchange for two enchanted tokens that will whisk him across the centuries, he jumps at the chance. Nurse and future midwife Erin Durie is broke and alone, thanks to a roommate who skipped town and the psychic gifts that make relationships too intense and painful to bear. Then a kilted man magically drops into her arms, looking for a guide to the twenty-first century, and she can't deny the attraction. But magical treachery soon throws open time's portal once more—and puts a blade to Robley's throat. Now Erin must decide where—or when—her healing powers can do the most good...and whether she can live without her handsome Highlander. In the second thrilling Novel of Loch Moigh, award-winning author Barbara Longley delivers more of the action, adventure, and romance that began in the pulse-pounding *True to the Highlander*.
