BOOK SYNOPSIS

A sexy, swoony standalone romance from #1 New York Times Bestselling Author Lauren Blakely... Let me count the ways why falling into forbidden love is not my wisest move... 1. She works with me every single day. Did I mention shes gorgeous, sweet, kind and smart? 2. She works in my home. Playing with my five-year-old daughter. Teaching my little girl. Cooking for my princess. Which means... 3. Shes the nanny. And that makes her completely off-limits...But it doesn't stop me from wanting her. All of her. *** The other nannies in this city dont call him The Sexy One for nothing. My boss, the amazingly wonderful single father to the girl I take care of every day is ridiculously hot, like movie star levels with those arms, and those eyes, and that body. Not to mention, the way he dotes on his little girl melts me all over. But what really makes my knees weak are the times when his gaze lingers on me. In secret. When no one else is around. I cant risk my job for a chance at something more...can I? But I don't know how to resist him much longer either...
