BOOK SYNOPSIS

Who was William Shakespeare? How did the rude groom from Stratford grow up to be the greatest poet the world has known? Not for a generation, since the late Anthony Burgesss SHAKESPEARE (1970), has there been anything approaching a popular, mainstream biography of the greatest and most celebrated writer. Yet Shakespeares life was as colourful, varied and dramatic as his works: the Warwickshire country boy who disappeared for seven years before fetching up in London as an apprentice actor...whose fellow players could scarcely keep up with the plays he turned out for them...who rapidly became a favourite at the court of Elizabeth I...and returned to Stratford a prosperous gentleman, proud to realise his fathers dream of a family coat of arms, before his death at 52. Anthony Holden brilliantly interleaves the poets own words with the known facts to breathe new life into a story never before told in such absorbing detail. The perfect blend of erudition and accessibility - the Daily Telegraphs verdict on Holdens life of Tchaikovsky - applies equally to his revealing, very human portrait of Shakespeare.

THE SHAKESPEARE TIMELINE STICKERBOOK SEE ALL THE PLAYS OF SHAKESPEARE BEING PERFORMED AT ONCE IN THE GLOBE THEATRE! -
